Good Morning...

I've attached a copy of the meeting notice for the Annual Westchester Town Center BID meeting to be held next Thursday morning. Based upon our previous conversations we highlighted a short presentation by LAPD about crime prevention preparations appropriate to the coming Holiday Season. (If you will provide us with .pdf or copies of any flyers or posters, the WTC BID will arrange distribution to individual businesses and/or customers in the District during the Season by our Ambassador).

This last week the WTC BID area has seen an increase in aggressive CD sales solicitations which has generated a number of complaints from businesses and customers. A number of those business and property owners should be expected at this meeting as well. We hope we can target this "broken window" for effective enforcement and, I'm sure that those assembled will be looking forward to your guidance.

Beyond those two (2) immediate issues, we would welcome a bigger picture commentary from the Captain or Pacific Division management about the status and progress of LAPD efforts in Westchester. Let me know your preferences with respect to our meeting agenda.

BTW, continental breakfast will be served!

As always, let me know as I can assist in any way.
